

Features

- Reduces wear & tear
- Increases Productivity
- Improves the functioning of pneumatic equipment

The **VK 30 1.3 Ltr Oil Lubricator** technically equivalent to Atlas Copco BLG 30 ideally designed to provide adequate lubrication to Pneumatic Tools which is very much essential for their efficient working and up keeping of its performance.

Technical Data

VK 30 - 1.3 Ltr Oil Lubricator

Specifications	Metric	Imperial
Capacity Air Flow	1.5 - 8.0 m ³ /min	53-282
Oil Volume	1.3 Ltrs	0.29 Gallons
Weight	3.0 Kgs	6.6 lbs
Max. Working Pressure	20 bar	290 psi
Hose Dia Inside	25 mm	1"
Connecting Thread	-	1" B.S.P.
