

Rivet Buster – VK 4689 (50 D, 60 D, 80 D)

The **VK 4689D Rivet Hammer** technically equivalent to CP 4689D is recommended for riveting work on tanks, steel cars and light structural steel. These rivet busters are also having a riveting capacity of 30mm. A “D” handle will have an inside pull trigger. We offer three models: VK 4689 50 D, VK 4689 60 D, and VK 4689 80 D. These handheld pneumatic tools are also referred to as Rivet Boyers and Heavy-Duty Riveter & Rivet Cutters.

Features

- Capable of functioning as a rivet buster with a simple riveter exchange.
- Lightweight design for easy manoeuvrability.
- Riveting capacity of 30 mm
- “D” handle will have an inside pull trigger
- User-friendly handling
